

WELCOME BACK

Welcome back to the third and final term of this school year – I would have welcomed you back last week, but after one day in school, I accompanied Year 4 to Grafham water for the remaining three days of the week. Every term is busy, and this is no exception, with lots of new learning, educational visits, sporting events and competitions, performances and class assemblies, sports day and transitions to new schools and classes.

Behaviour expectations at Laburnum are high and almost all of pupils consistently meet them. We are continuing with our focus on positive learning behaviours and maximising learning in class. With this in mind, we have been reviewing expectations with all pupils in class and through assemblies to ensure that they are clearly understood and have been so proud of how the children have responded and continued to meet our high expectations.

YEAR 4 VISIT TO THE GRAFHAM WATER CENTRE

Last week, from Wednesday 17th to Friday 19th, Year 4 (Willow Class) had a fantastic visit to the Grafham Water Centre, on the edge of Grafham Water in Cambridgeshire. Our planned programme of educational visits and residential stays are designed to add real life experiences to the key knowledge that children learn across our curriculum, to bring learning alive and to build our pupils independence, resilience, and aspiration by challenging them and providing opportunities that they might not otherwise get.

Grafham Water was no exception. The children took part in a variety of adventurous activities, overcame challenges, and pushed themselves to try and achieve new things. I have to say, that the visit was fantastic and well managed by the staff and instructors at Grafham and the Year 4 team who planned the visit. I was immensely proud of Willow Class who always exemplified our core expectations and represented Laburnum extremely well. Below is a selection of photographs to share the experiences we had.
